PREMIER SERIES

PRO-DECK
QUALITY DECKS BUILT TO LAST

STANDARD FEATURES

-  Attractive and practical front foot steps both sides (not available on some double cab models).
-  Sturdy and simple removable front Headboard.
-  Heavy duty side rails complete with tie down rope rails.
-  Functional and strong steel framed drop sides with U-PUC Inserts. Three hinges per side, quality anti-loose latches and built-in anti-slide device to stop sides from coming off when folded down.
-  Thick 3mm plate pressed steel mudguards with strong and tidy folded edges and heavy duty braces welded, not bolted, for strength and durability – with mudflaps.
-  Heavy duty rear back plate and strong tail light protector brackets.
-  Hardwood ply Transatex Ply Floor. Transport quality.

MODELS AVAILABLE

-  **CLASSIC** Powdercoated steelwork with 18 mm Hardwood Ply decking, U-PUC tail and front boards.
-  **ELITE** Galvanised Steelwork with 18mm Hardwood Ply decking, U-PUC tail and front boards.
